

BAREFOOT MEDICINE WHITSUNDAYS

& ALLIED HEALTH BILLING

We are mixed billing practice and appreciate full payment of fees on the day of consultation, fees are payable by EFTPOS.

PLEASE NOTE: Dr El does not bulk bill.

Patients who have a Medicare card can obtain their rebate directly into their bank account via your EFTPOS card at the time of payment. Please note: If paying by credit card a direct rebate can only be done to a savings/cheque account so we can send the request to Medicare and it will be paid into your nominated bank account within 2 business days if you have your bank details registered with them.

A cancellation fee of \$30 will be payable for any appointments cancelled/missed without 2 hours prior notice

Dr Andrew and NP's Brett & Troy will bulk bill DVA card holders, Centrelink concession card holders, children under 16 years of age and children who are still at school.

* Patients seeking alternative medications require a 30-minute appointment (with Dr Andrew) and will be required to pay prior to the consultation. Patients not adhering to this will be asked to leave their consultation and re-book. This is to ensure the correct amount of time is allocated to your appointment.

ALLIED HEALTH

Please note: Allied health providers are independent to Barefoot and prices are set by the providers themselves. All efforts are made to ensure the information below is correct. When booking with the allied health provider please confirm costs.

Dr Hasan – Chiropractor

Cannonvale Chiropractic Centre

'Extras' cover on Private Health Insurance often offers a rebate on chiropractic consultations, please refer to your insurer. You may also receive a rebate from Medicare if you have Team Care Arrangement (TCA) if you have a chronic health problem and a referral is provided by your GP. Patients under a TCA are charged at the full rate (no concessions) with Medicare providing a rebate.
